Case Studies:

A player on your team has not paid dues and it’s 2 months into the season. What are your options?

Your officers have been slacking on their job duties. Your club has been fined twice in the past month. You have 5 key officers for your club and 2 of them are in charge of these areas. What do you do?

Your coach or player coach is taking over decision making for the club. The players are complaining to you about the way practices are being run and people are threatening to quit the team. How do you handle this situation?

Finance

You have 4 accounts to track

• Checking
• Allocation
• Service
• Donation
CHECKING

- Outside Checking Account: YOUR MONEY $$$
  - All your dues and fundraising money goes into your Team Checking account
- How to Spend
  - You can use your debit card for purchases
  - You can write a check from your team account
  - You **CANNOT** take cash out of the ATM
    - Why?
- You need to use your **checking account** to get reimbursed from Allocation, Service, or Donation accounts.
  - Screenshot bank statement for reimbursement and send to the SC office!
ALLOCATION
Money from the University
USE IT OR LOSE IT → so use it early

How Allocation Works
1. Make purchase using Checking Account (debit card or check)
2. Fill out Check Request and mark Allocation
   a. Purchase must go through before request can be processed
   b. We need a paid invoice

What constitutes as Allocation?
• Essentially anything team related
  ○ Travel, equipment, uniforms
SERVICE

● Service Account
  ○ Money earned from the University Departments
  ○ Rolls Over

● Job requests forwarded by Mike or sent individually by departments
  ○ Examples of Service Account jobs:
    ■ Flower Sale
    ■ Clean up football games
    ■ Work The Buzz
    ■ Freshmen Move-In Help

● Earnings automatically deposited into your service account
● Same reimbursement process as allocation
DONATIONS

- Donations made through the Sport Club donation webpage or checks written to UC Regents
- Donations through University
  - Tax deductible for the donators
  - The University takes 6% of each donation for processing fees
  - Takes 2-3 months to get reimbursed through your donation account
- Have the donor write a check to your club directly if they don’t need the tax write off
- Follow the same process for allocation or service for reimbursement
Fundraising

Make sure fundraisers follow Sport Club and UC Davis fundraising policy

Fundraising Handbook

Read through for examples of fundraising and estimated earning

We will go over all this information at the Treasurer’s Meeting
