Thank you for signing up for an Outdoor Adventure Whitewater Rafting trip! We could not be more excited to take you on a fun-filled, one-day trip down the South Fork of the American River. The 12-mile section of river we run begins at Camp Lotus and ends at Folsom Lake. Please read below for an overview of your trip with important details included:

**Trip Overview**

Upon arriving at Camp Lotus at 9:00am, you will meet your guides for the day, change into river-ready clothes/gear, perform a vehicle shuttle to the takeout location and learn basic rafting safety information before hoping on the river. Once on the water, you will go through a brief introduction by one of our experienced guides on proper paddling technique, basic commands, and a chance to test your new skills on Class II rapids. Lunch will be held at OA's beach site along the river. After a short lunch, you will enter The Gorge and face the Class III rapids of Satan’s Cesspool, Hospital Bar, and others. We generally reach Folsom Lake (the end of our trip) around 4:00pm.

**Transportation**

- You must provide your own transportation to Camp Lotus the morning of the trip. It is each participant's responsibility to find transportation to and from the river.
- Our meeting location in the morning is Camp Lotus, 5461 Bassi Rd Lotus, CA 95651, which is approximately 1 hour and 15 min from Davis.
- Please arrive at this location at 9:00am.
- You do not need to pay for parking at this location as we will doing a vehicle shuttle to take out before putting on the river.
- Please make sure to bring $10 cash to pay for parking at the take out location.

**Shuttle**

- The vehicle shuttle at the beginning of the day will consist of the participant drivers (only) and the OA drivers caravaning their vehicles from Camp Lotus to our rafting end point, Salmon Falls.
- Once arriving at Salmon Falls, the drivers will pay the $10 parking fee, lock up anything they don't want on the river, and give their keys to the OA staff. These keys will be locked into an OA vehicle so you don't need to worry about them getting lost on the river.
- Once this is completed, all of the drivers will get back into an OA vehicle and be driven back to Camp Lotus. This shuttle allows participants arrive at their cars at the end of the day so they can head home directly from takeout.
- You must check in at Camp Lotus first.
