Invoice vs Paid invoice
How Allocation is Awarded

• Numbers come from your Budget Workbook turned into the Sport Club office
• We look at expressed needs: Travel, Facility Expense, Team Equipment, etc.
• We only accept up to $2,000 for Nationals.
• Your admin points are subtracted (Missed Meetings, late paperwork, etc.)
• Your budget presentation scores are tabulated
• All these numbers are calculated to get your allocation numbers
• Any questions about Allocation?

ANY QUESTIONS ABOUT FINANCES?
CASE STUDIES

A player on your team has not paid dues and it’s 2 months into the season. What are your options?

What do you do when your club wants to get reimbursed for a purchase through allocation but the check has not been deposited yet?

You don’t have enough money to pay for your t-shirt order or you upcoming trip to Nationals. What do you do?
Workbooks

- In March, each club will be asked to submit a workbook (New Workbook) showing your budget for the year. Please update your budget regularly.
- Please include:
  - Revenue/Income
  - Expenses
  - Fundraisers!
- These budgets will help determine allocation funding for next year. Clubs who did a poor job with their budgets received less funding this year through allocation.
Workbooks

• One workbook for Projected Fall ‘20 - Spring ‘21
  • Email to Sport Clubs by April 3rd

• Workbooks will be emailed out and posted on the Facebook officer’s page

• Hopefully you have last year’s workbook; if you do not, email the recorders for a copy
Budget Presentations

• April 14-16
• We will cover more information about the presentations in the Monthly Meeting on Tuesday, March 31st
• Mock presentations will be available for 8 groups on Thursday, April 8 from 3pm-5pm in ARC Meeting Room 3. If you do not get the chance to present, you can listen to feedback.
